EDUCATION

- BTech in Computer Science**
Dayananda Sagar University
2021-2025
CGPA:9.63
PUC
- Christ Academy Junior College**
2019-2021
99.83
- 10th CBSE**
Swamy Vivekananda Vidya Niketana
2018-2019
96.2

SKILLS

- C , C++, Data Structures
- Python , Java
- HTML,CSS,Javascript
- Node JS,React JS
- MySQL
- NLP, ML, Linux

P INDHU SHREE

PROJECTS

BI Reporting using chat interface

Chat Agent to create business reports with BI charts: Developing a solution enabling business users to interactively create BI reports from a relational data warehouse. Utilized natural language processing to convert user input into SQL queries, execute them, and display results with BI charts. □
Tech stack : Azure ,Python, Google API key.

Centralised Healthcare Management System

Implemented a healthcare assistant that allows users to interact with features such as booking lab tests, getting information about medicines, and scheduling doctor appointments. Utilized Flask for the backend, gTTS for generating audio responses, and provided both voice and text-based chat interfaces for user interactions. □
Tech stack: Flask, Python, gTTS

AI Resume Match maker

Developed an AI-driven solution for matching resumes with job descriptions to streamline the hiring process. Utilized natural language processing and vector similarity scoring to rank resumes against job descriptions. □
Tech stack: Python, OpenAI API, Streamlit, Qdrant and Randomforest

Handwritten Digit, Character, and Text Recognition Using ML

Developed a computer vision model to recognize handwritten digits and characters from various sources like papers and touch screens. □
Tech stack: Python, scikit-learn, TensorFlow

WORK EXPERIENCE

- AI and Analytics intern in Cognizant.
- AI intern at Infosys.
- Web development intern at CodeClause.
- Developer at Salesforce.

HOBBIES

- Listening music
- reading books
